SECTION 1.

DEFINITIONS & CONTENTS

1. FOREWORD

Swim Ireland is the National Governing body for Swimming, Water Polo, Diving and associated aquatic sports for the whole of Ireland and is recognised as such by the Sport Ireland, Sport Northern Ireland., the Olympic Federation of Ireland and the Irish Government. Ireland Water Polo is a term which refers to the group of Swim Ireland Clubs registered with Swim Ireland as engaging in the discipline of Water Polo.

The Irish Amateur Swimming Association Limited, trading as Swim Ireland is a company limited by guarantee and its constituent documents are its Memorandum and Articles of Association (M&As). The M&As of a company provides the legal framework within which the Company will operate but does not provide the level of detail required for the day-to-day operation of the organisation. The general operation of water-polo has been delegated by the Swim Ireland Board to the National Water Polo Committee (NWPC) and this Rule Book deals with the more general aspects of the day-to-day operations of water- polo.

Please note that this Rule Book refers to other documentation that may be pertinent for the purposes of Swim Ireland Rules and Regulations. Such documentation can be obtained from the Swim Ireland offices and/or on the Swim Ireland website at www.swimireland.ie. In the event that any rule contained herein conflicts with the Swim Ireland Articles of Association or Swim Ireland Rule Book these documents take precedent.

Any changes to this Rule Book that come into conflict with the Swim Ireland M&A's cannot be accepted. Any changes to this Rule Book are subject to approval by the Board of Swim Ireland.

The rule book is set out in five sections:

- Section One sets out the general rules in relation to how Water Polo operates within Swim Ireland. The Governance structure dictates that authority is invested in the NWPC by the Board of Swim Ireland and the section clarifies the role and responsibilities of the Committee and how Water Polo Regions, Clubs and individual members operate within.
- Section Two sets out the governance and structure of Ireland Water Polo. This section details what forms the structure of Ireland Water Polo.
- Section Three details how the Water Polo Competitions will be managed. Primary responsibility for the running of Water Polo events lies with the Competitions Committee which is appointed by the NWPC.
- Section Four relates to the Disciplinary Process with sanctions detailed in Appendix One.
- Section Five relates to the Complaints Process.
